Don’t forget to download the directions PDF and the route map PDF!

PHOTO SET at www.essexwalks.com

The ROUTE MAP and ROUTE DESCRIPTION also need to be downloaded and saved on your computer for printing.

The Route Map PDF can be downloaded from this page: Description & Map
The Route Directions PDF can be downloaded from this page: Directions

This photo set is not meant to be used in isolation, it is one piece of a three part guide to the walk. The other two pieces are the route map, and the route description. The walks work best when the description, map and the photos PDF are printed off and used in conjunction with each other.

The numbers in brackets in the description refer to specific points along the route, marked with numbered symbols and these in turn are matched to the photographs above which show you the lie of the land.

These symbols are shown at strategic points along the route, overlaid on a 1:50K Ordnance Survey map:
